

Chef Wars - Immersion mode

Player Count A maximum of 4 players and a game narrator.

Rules: In this game, we are going to make sushi. Players will be presented with a deck of ingredients, which they have to lay on a table. They then have to memorize it and flip the cards over. Their goal is to match a pair of ingredients, and they'll receive the ingredient card for their recipe. The last player to make their dish is out of the game. As each player matches a pair, the board will rotate clockwise.

Begin and Introduction:

**Narrator** - "Welcome to the ultimate culinary quest - the Chef War Challenge! Tonight, we gather to find the successor of the legendary Chef Kylian Griezmann, who is on his skill of making sushi. Prepare to test your culinary skills, face daunting challenges, and leave your mark on the gastronomic world. Let the kitchen be your canvas, ingredients, paintbrush, imagination, and guiding force. We celebrate the art of cooking and the spirit of human creativity tonight. Welcome to the Chef War Challenge!"

"In the first round, you will encounter culinary challenges that require creativity and finesse. As you progress to the second round, the demands intensify, challenging your ability to innovate under pressure. And finally, in the third and ultimate round, the most formidable trials await, demanding nothing short of culinary brilliance. With each round, the ingredients become more intricate, the time constraints more unforgiving, and the expectations more exacting. Only those who can adapt, innovate, and excel in the face of mounting challenges will rise above the rest. The kitchen is your arena, and the culinary world awaits the emergence of a true master."

"Let us unveil a twist to determine the ultimate victor as the challenge reaches its pinnacle. In each round, as the last participant completes their dish, they will face the unfortunate consequence of elimination. However, a thrilling reward awaits as the culinary battlefield narrows down to its last warrior. The last remaining player, the one who demonstrates unwavering culinary skill and efficiency, shall be crowned as the next successor, carrying the legacy of Chef Kylian Griezmann forward."

Player Introduction:

**Narrator**: "As I call your name, please step forward, introduce yourself, and share a glimpse into your culinary journey. Tell us about the flavors that ignite your passion, the dishes that define your style, and the culinary dreams that drive you forward. In this competition, not only will you showcase your skills, but you will also unravel the stories behind your culinary artistry."

"So, let us begin this voyage of introductions. [Player 1], please step forward and enlighten us with your culinary tale. Share with us the essence of your culinary spirit." <this goes on until all players have been introduced>

"With the introductions complete, we now embark on this extraordinary culinary odyssey together."

### Memorize the cards and twist mechanics.

**Narrator:** "As we prepare for the upcoming culinary showdown, let me introduce a thrilling twist to our game mechanics. In addition to the challenge of memorizing the secret ingredients, we shall incorporate an element of strategy and adaptability."

"Once you successfully match a pair of cards, the game board shall undergo a captivating transformation. It will rotate clockwise, shifting the remaining cards' positions and altering the possibilities' landscape. This dynamic feature adds a layer of complexity, forcing our participants to quickly adjust their memorized positions and remain agile in their culinary pursuits."

"So, not only must you rely on your memory to uncover the hidden ingredients, but you must also adapt swiftly to the shifting board. It tests mental dexterity, challenging your ability to recall and adapt simultaneously."

"In front of you, there lies an array of cards, each bearing a hidden ingredient crucial to the success of your dishes. Take a moment to observe and memorize the ingredients concealed within carefully. Absorb their names, image, and aroma; this knowledge will guide you as you craft your culinary masterpiece." <give them a minute to memorize>

### Roll Dice

**Narrator:** "Before we begin our adventure, let us determine the order in which you shall showcase your culinary prowess. To inject an element of chance and excitement, we will leave the fate of the starting position to the dice roll."

"Each of you will have the opportunity to roll a single die. The player who rolls the highest number will be bestowed with the honor of commencing the Chef War Challenge. So, gather your dice, hold them in your hands, and let your luck intertwine with your culinary destiny."

"On the count of three, roll your dice. May fortune smile upon you, and may the highest roll propel you to the forefront of this culinary battlefield."

"One... Two... Three... Roll!" <look who has the highest roll to lowest>
